PROJECT DETAILS:

Project Title:

Tools Utilized: JavaScript, HTML5, CSS3, Bootstrap5.

Project Description:

I successfully designed and developed a website project called "Frejoe Builders." The project involves creating a responsive website for a construction company specializing in residential buildings. The website showcases the company's services, projects, and provides a platform for potential clients to contact them. the "Frejoe Builders" website project demonstrates my skills in web development,

including HTML, CSS, and Bootstrap.

The website features a modern and visually appealing design. It includes several sections such as Home, About Us, Projects, Gallery, and Contact Us. The navigation bar at the top allows easy access to different sections of the website. The company's logo is prominently displayed in the navigation bar, accompanied by a marquee effect for added visual interest.
